## LINOTYPE OPERATOR

**WANTED!**  
The Kentuckian will need a  
good linotype operator on or  
about May 25th or June 15th,  
as its mechanist-operator is in  
the calls on those dates. Must  
be able to care for his own ma-  
chine, and a man who is a good  
printer as well as an operator is  
preferred. Permanent place and  
good wages to the right man.

Another bunch of 106 husky  
Christian county boys left yesterday  
morning for Berlin.

Secretary Baker asks the newspa-  
pers not to speculate on the number  
of Americans in France. He has  
stated officially that there are now  
more than 500,000 overseas and that  
the May arrivals will be 200,000  
more and that there will be 1,000,  
000 by July.

Isaac Adams, aged 40, was killed  
by a farm tractor he was operating  
alone in a field near Jeffersonville,  
Ind. His dead body was found un-  
der the machine, that had been over-  
turned. Evidently farm tractors need  
some sort of ballast, or should be  
built with an eye not to turn over.

The route of that portion of the  
Dixie Highway, so called, which pas-  
ses through the mountains of Ken-  
tucky has been changed to pass  
through Whitley instead of Knox  
county, because Knox failed to  
build a road. In the meantime, the  
only road to the South is the Dixie  
Bee Line Highway, like the trains  
run and the wild geese fly. Few  
people who are headed South will go  
hundreds of miles out of the way to  
climb mountains.

## RAPIST KILLED.

Thomas Devort, a negro, was shot  
to death and later his body was in-  
cinerated Sunday night, near Erwin,  
Tenn., by a band of men, after a  
sensational chase in which the negro  
swam a river, dragging with him the  
dead body of his victim, the 15-year-  
old daughter of a white blacksmith.  
Four young men who heard the girl's  
screams rushed to her assistance.  
Her assailant dragged her to the riv-  
er bank, plunged into the stream and  
attempted to swim with her to the  
other side.

## TWO KENTUCKIANS WOUNDED.

Washington, May 28.—Elijah  
Lawson, of Gimlet, Ky., is reported  
severely wounded in Thursday's  
overseas casualty list of 37 dead, 48  
wounded and one missing. Hubert  
B. Rothard, of Covington, Ky., was  
reported severely wounded in Wed-  
nesday's casualty list, which includes  
seven dead and 41 wounded.
